RE: Attard v. Board of Education of New York City, 05 cv 2129

Dear Judge Levy:

3/17/06

In response to Jason Bogni's letter of March 17, 2006, plaintiff agrees that discovery needs to be extended, however, given all this is outstanding to plaintiff and in dispute, and realistically considering how long it will take the City to produce it, we will need much more time than April 30. Essentially plaintiff is at where she should have been in August. I am not placing the blame anywhere, but realistically more time is required. I request that no decision be made about discovery deadlines until the conference of April 4.

Sincerely,

Gregory Antollino

Cc: Jason Bogni
